The image shows a mobile application interface with a dark background. At the top left is the word "Taverna" next to a small logo. A white search bar is centered at the top. Below the search bar is a white card titled "Filtros 6 Items". Inside this card are three checked filter options: "Yu -Gi-Oh", "Magic The Gathering", and "Pokemon card game". To the right of the filters are two input fields labeled "Cidade" and "Distância" with a "Buscar" button below them. Below the search bar are navigation controls: double arrows for page selection, a single arrow for item selection, and a range selector from 1 to 6. The main content area displays seven identical items, each consisting of a gray circular icon with a plus sign in the top right corner, followed by the text "(Elicott city) Ben's Autoservice. Tires, oil change, car inspection.". The items are arranged in two rows of four, with the last item in the second row partially cut off.
